

National Hydrogen Association NHA Affiliate Application

1211 Connecticut Ave. NW Suite 600
Washington, DC 20036-2701
Tel: 202-223-5547
Fax: 202-223-5537
info@HydrogenAssociation.org
www.HydrogenAssociation.org

The National Hydrogen Association invites energy, technology, environmental, regional, professional and other membership organizations with an interest in the future of hydrogen as a sustainable energy carrier to apply to be an NHA Affiliate. We desire these relationships as part of our outreach efforts to help other membership organizations help their members become acquainted with hydrogen and the NHA. Affiliates are not members with voting and other corporation responsibilities, but there are significant benefits that we hope will warrant your involvement with us.

Become an NHA Affiliate today and receive the following important benefits:

- A reduced registration to the NHA's Annual Hydrogen Conference for your organization's Executive Director or designated staff
- An invitation to join any NHA Committees (with the exception of the Policy Committee)
- Recognition of your organization's alliance on the NHA's website and other promotional material
- Member discounts on NHA publications that are sold
- An annual subscription to the *NHA News*, *Hydrogen and Fuel Cell Safety Report*, and the *Legislative Alerts*

In return, the following responsibilities must be fulfilled:

- Promotion of the NHA and NHA activities through the organization's website with a link
- Announcement of NHA activities electronically or by mail to your members with our materials
- Provide NHA with access to publications and outreach materials from you organization, along with special notices of networking or promotional opportunities
- Discounted/Complimentary registration to the NHA for events of the organization
- Help in identifying potential event sponsors and possible Affiliate candidates

Join us today. Please complete the application form on the back of this sheet, or contact us at the address above. We value your input and interest, and look forward to working with you.

See Reverse for Application Form

National Hydrogen Association NHA Affiliate Application

To apply to be an NHA Affiliate, please complete the application form below.

_____ declares the following interest in hydrogen:
ORGANIZATION

Organization _____

Address _____
