Help is on the way

Renewable Portfolio Standards a driver for Renewable Energy Sourced H2

- **> 17 States now have an “RPS” for electricity**
- **California has H2 Renewable Energy Content Requirement; SB1505**
- **Many States adopting Renewable Energy Content Requirements for Transportation**
 - **e.g., Calif. AB107 requires 20% REC by 2020 (starts in 2012)**
